Facing the First Christmas

what is this?

We recognise how difficult the festive season can be for the bereaved.

We invite you to come along to a special event which we hold before Christmas, where you will be able to remember your loved one and reflect on your time together.

what happens at these events?

You can join in with some carols, hear some readings and poetry and have an opportunity to leave a message for your loved one on the Christmas tree.

is transport to the venue available?

There is public transport to both sites as well as some on-site parking. You can be dropped off, or there are facilities for family members to stay and enjoy refreshments. Some volunteer driver transport is available, but we have limited capacity, so if this is required please ask and we will try to help.

when are the events held?

A few weeks before Christmas at the Hospice.

do I have to pay for services from Phyllis Tuckwell?

No, all services offered by Phyllis Tuckwell are free. As a charity we are dependent on the local community for their generosity and financial support. We only receive 20% of our funding from the NHS/Government and therefore we have to raise over £20,000 a day to provide all our services. If you would like to make a donation, they can ask a member of staff, or visit our website.
