By leaving a
Gift in your Will
you are helping to
secure availability of
our vital care
for future generations

We care for over 250 patients, relatives and carers every day, but as usually only around 20% of our costs are covered by the NHS/Government, **we need to raise over £25,000 each and every day** to provide these vital services, which we offer free of charge.

Make a Will that makes a difference

**Make a Will
Month**

April 2023

"One of the doctors came in. Because the seats were taken, he knelt down by the side of the bed. He took her hand and said 'we're here to help you.'"

Why write a Will?

Help your loved ones

Ensure that your family is provided for, your pets cared for, causes that matter to you are supported, and others know your funeral wishes.

Provide for your partner

if you are not married or in a civil partnership.

Control what happens to your estate when you die

Without a Will, what happens to your estate will be decided by law.

Minimise your inheritance tax

by including a gift to charity.

Why leave a gift to Phyllis Tuckwell?

Your gift will...

 **...help secure our care for years to come.** Gifts in Wills provide a fifth of our annual income, caring for 1 in 5 of our patients.

 **...make a difference,** helping build our financial security and grow our services, so we can reach more people who need us.

 **...be highly valued.** Every gift left to us in a Will is extra special, as we know they're often made as a thank you, in memory of people we have cared for.

 **...be a testament to you.** Gifts in Wills are deeply personal, given in memory, in gratitude and as an investment in our future. Your gift will be a testament to you, your vision and your incredible generosity.

Make a Will Month

During Make a Will Month, participating solicitors will offer a professional consultation and write a standard Will, or update an existing one, in return for a donation to Phyllis Tuckwell.

Simply get in touch with a solicitor from the list overleaf and make an appointment. The appointment must take place in April.

Tell the solicitor what assets you have and who you want to benefit when you die. The solicitor will tell you if it can be done as a standard Will. If it requires specialist advice, the solicitor will tell you what can be included under the Make a Will Month scheme, and give you a separate price for the remaining work. All solicitors reserve the right to charge you a fee if your Will is not simple.

The solicitor will tell you how much the firm would normally charge for preparing your Will. You will be given a Phyllis Tuckwell Donation Form and asked to make a donation that reflects the time the solicitor has given (suggested donation £250 for a standard Will and £350 for mirror Wills).

There is no obligation to include a gift to Phyllis Tuckwell in your Will, but your solicitor can advise you about the tax effectiveness of gifts in Wills and we hope you may consider us.

The number of Wills available from each solicitor is limited. Appointments fill up quickly, so book yours as soon as you can.
