

Understanding and Managing Bereavement, Loss & Change

Date	Time	Venue
Tuesday 19 January 2027	9.30-12.30	The Hospice, Waverley Lane, Farnham, Surrey GU9 8BL
Tuesday 25 May 2027	9.30-12.30	The Hospice, Waverley Lane, Farnham, Surrey GU9 8BL
Wednesday 20 October 2027	9.30-12.30	The Hospice, Waverley Lane, Farnham, Surrey GU9 8BL

Appropriate for: Health and Social Care Staff

Max Number: 12

Facilitators: Phyllis Tuckwell Education team

Cost: N/A

Aims:

- To help colleagues recognise and understand the impact and effect of a terminal diagnosis / loss for the patient and their loved ones, and our colleagues alike.

Learning Outcomes:

- Understand the wider losses resulting from terminal illness for the patient and family.
- Understand the losses and impact of bereavement and how it affects people differently and why.
- Recognise and understand the feelings and behaviours associated with loss.
- Understand the grieving process.
- Understand how to support a grieving person.
- Recognise helpful and unhelpful communication with a grieving person.
- Understand how to care for yourself as the professional.
