Tuckwell  
Hospice Care  
...because every  
day is precious

An Information &  
Support session

Attendees are given relevant information in a friendly and supportive environment, enabling them to manage their own dietary situations.

**For more information about Information & Support sessions, please contact [livingwellteam@pth.org.uk](mailto:livingwellteam@pth.org.uk).**

Living  
Well

## what are these sessions?

This session is suitable for patients and carers who are living with an advanced or terminal illness and are being cared for by Phyllis Tuckwell, and who would like to find out more about how to manage dietary issues.

## what are the benefits?

You will be given relevant information in a friendly and supportive environment, enabling you to manage your own dietary situations.

## is transport to the venue available?

There is public transport to both sites as well as some on-site parking. You can be dropped off, or there are facilities for family members to stay and enjoy refreshments. Some volunteer driver transport is available, but we have limited capacity, so if this is required please ask and we will try to help.

## do I need to wear or bring anything special?

We would advise that you bring any medication you may need during your visit, and come with any questions that you may have.

## when are the sessions held?

The session is held at the Beacon Centre in Guildford, as part of the Information & Support sessions on a Friday morning.

## do I have to pay for services from Phyllis Tuckwell?

No, all services offered by Phyllis Tuckwell are free. As a charity we are dependent on the local community for their generosity and financial support. We only receive 20% of our funding from the NHS/Government and therefore we have to raise over £20,000 a day to provide all our services. If you would like to make a donation, they can ask a member of staff, or visit our website.
